

The Golden Gems of Life: Timeless Wisdom for a New Generation, 2010, 220 pages, S. C. Ferguson, E. a. Allen, 0982322127, 9780982322123, PhiloSophia Publishing, 2010

The Golden Gems of Life endeavors to awaken in all the realization that life is a gift to be prized and not wasted. It is a book full of wise counsel (gems) about life and how to live it to the fullest. Although written in the 1880s, the advice is just as applicable to our generation as it was to their generation and will be to future generations. In fact, it is desperately needed by our generation. Although scanned copies of the original book are back in print, the editor (Doug Kenney) decided to publish an abridged copy by updating some words and phrases making it more readable, but still retaining much of the beautiful language of the original book. The topics have been organized/combined under sections like: BiThe Gift of Life BiThe Aim of Life BiFamily Life BiVirtues to Acquire BiVices to Avoid BiTrials of Life BiSpiritual Life BiThe Evening of Life The content of the above sections is that of the original authors. There are a couple of inspirational stories added at the end of the book that illustrate many of the principles contained in the original book.
